HOSPITALITY

ARTISTS SERVICES AND RESTROOMS

Snacks and beverages will be distributed throughout the day by our Street Captains. Just Ice Tea will provide a cold bottle of tea by showing your badge at their table located at 4827 Bethesda Ave.

There are three sets of port-a-potties for artists, one located on Bethesda Avenue, one on Elm Street, and one on Woodmont between Montgomery and Hampden.

BOOTH SITTERS

If you need a break, text your Street Captain to arrange for a booth sitter. For insurance reasons, booth sitters are not able to make financial transactions in your behalf. You may instruct them to either hold a patron on site until your return, or will ask the patron to return at a later time.

MARYLAND SALES TAX

The State Comptroller's office has received a spreadsheet with your name, address, phone number and email address. Individuals who do not have a permanent Maryland sales tax license are required to obtain a temporary license and collect a 6 percent sales and use tax for sales at various events such as craft shows and fairs. To obtain a temporary license call 410-767-1543 or 410-767-1531. The temporary license lasts for 30 days. The ultimate responsibility to report is your own.

BOOTH INFORMATION

ELECTRICITY

There is no electricity at this show, and generators are not allowed. Artists are welcome to use battery-powered lighting.

BOOTH IDENTIFICATION SIGNS

All booths will be provided with a hanging sign with the artists name, hometown, website (if provided), and indication of a returning artist, new artists to BRAF, and past jury winner. These signs must be hung in a prominent location for guests to locate you from information on our website.

NO STORAGE

Because we are guests at a very active urban shopping/dinning/entertainment mecca, storage is non-existent at this show, so please plan accordingly. Booths are placed back-to-back, and the sidewalks cannot be used for storage. Anyone violating this rule will first be asked to remove their items; a second violation will result in \$250 fine, and a third violation will result in a permanent ban from the festival.

OVERNIGHT ARTWORK REMOVAL

Please notify your Street Captain if you plan to remove your artwork Saturday night to arrange a set load-out time. You may not drive up to your booth without an assigned time. Artists leave artwork in their booth at their own risk. **PLEASE NOTE: while BRAF provides 24-hour police security at this show, the festival does not accept liability for loss/theft/damage.**

TENT WEIGHTS

All tents must be weighted. No stakes, drilling into the street, or tying down to Bethesda Row property is allowed. You must have four (4) weights on your tent, with a minimum of 40 pounds each. **WIND IS AN ISSUE.** If you do not bring enough weights, you will be asked to remove your tent and/or leave the show. Because of insurance issues, we are unable to supply weights without a full tent rental.

RAIN OR SHINE

As your application guidelines indicate, the show is held rain or shine. We monitor for inclement weather, and the show will close early if in our sole judgement, weather is considered potentially dangerous.

THE JURY PROCESS

BEST OF SHOW JUDGING

Begins at 11:00 a.m. on Saturday. Judges will stop by your booth and will leave behind different colored stickers on your booth space sign. Place the provided booth sign on the outside entrance of your tent — the jury will not judge any tent that does not display the booth sign. If for some reason you did not speak with a judge or a colored sticker was not left on your booth sign, please notify your Street Captain.

BEST OF SHOW RIBBONS

Ribbons will be awarded first thing in the morning on Sunday. Best of Show will receive \$2,500, Second Place will receive \$1,500 and Third Place will receive \$1,000, Category Winners will receive \$50. Award winners will be jury exempt and receive preference for corner booth requests in 2023.

We recommend visiting the website at bit.ly/braf-parking for parking fees and lot times.

No one is allowed to park in the county garage between Bethesda Avenue and Elm Street. If you are found parking in this lot, you will be towed and not invited back to the show.

LOAD-OUT PROCEDURE

- Please close your booth promptly at 5:00pm.
- Do not close early, and do not extend your hours.
- Breaking down before 5:00pm will result in not being invited back to the show.
- **Once your booth is completely broken down, please check out with your Street Captain.** Entrance passes to bring in your vehicle will be provided with an assigned load-out time. We actively manage the site to balance your access with existing traffic. We want to get you on the road as quickly as possible.
- **No vehicles will be allowed onto the show site without a load-out pass.**
- The streets open to the public at 8:00pm. It is imperative that you are off site by that time.

Your patience is greatly appreciated, we know what we are doing, these are tight urban quarters, and we are all working together as a team.
